importantly to himself, that a person can change and correct his mistakes.

Due to the current humanitarian crisis we are facing, Mr. Ganan is worried that his health, age, accomplish the difficult task to be 6 feet apart from other inmates or employees inside prison, and the lack of precautions taken by the prison administration for sanitary purpose, puts Mr. Ganan on a high risk situation. There has been several COVID-19 diagnoses reported at Folkston's federal correctional facilities, location where Mr. Ganan is, and it's just matter of time that the virus spreads in his unit. COVID-19 is spreading quickly and the feeling of anguish that he might catch the virus is worst every day. As you remember, Mr. Ganan is a family man, his family loves him deeply, reason why they are very worry about his health and the possibility that when the virus enters his unit, his father/husband's life would be compromised. (EXHIBIT 3)

Petitioner humbly and respectfully prays this Honorable Court to consider all his claims and GRANT this motion,

Respectfully submitted,

Carlos Alberto Ganan
